### **Active Student Policy – MUST READ**

RMOL has implemented a policy regarding activity within a course. Students are required to remain in good standing with their online courses. Good standing means **accessing your course daily and submitting work weekly.**

#### **All students must:**

- Complete 10% of the course material within the first 3 weeks to be active.
- After 3 weeks of inactivity, you will receive a notice to complete 10% more within 2 weeks.
- After 2 notifications of inactivity, you will be suspended from accessing your course (no work will be lost)
- To re-enroll, contact your instructor (again no work will be lost) to create a plan for completion.
- Please sign and return this to your teacher
