TEST INVIGILATION

| | |
|----|---|
| 1 | RMOL students should use RMOL laptops and devices for their tests. |
| 2 | Test login is through the student's D2L Brightspace course page which can be found at https://sd6.onlinelearningbc.com/d2l/login?logout=1 |
| 3 | Students must arrive with a username and password. If the student does not have these, their test will be rescheduled to another day. |
| 4 | RMOL teachers will provide test invigilators with test access passcodes and specific course formula sheets. |
| 5 | The test invigilator will key in the access passcode for the student. |
| 6 | Students may not use their smartphones during the test. Test invigilators will ask for the student's smartphone and set it aside during the test. |
| 7 | If a calculator is needed, students will bring their own. If they have forgotten their calculator, they may borrow one onsite. |
| 8 | Students may not open other tabs during the test unless they are directed to use a specific application in the actual test. |
| 9 | If a student prefers to use their laptop, please have them login using BYOD |
| 10 | If the BYOD network is not available, students may use their personal device to hotspot, but ensure the smartphone is set aside during the test. |
